

# CAPWHN WEBINAR

Wednesday April 25, 2018 at 1200 EDT

(0900 PDT, 1000 MDT, 1000 CST, 1100 CDT, 1300 ADT, 1330 NDT)

## BFI Journey and Breastfeeding Support in Kanesatake

### Objectives:

- ❖ Provide an understanding of how historical, social and cultural changes impacted the traditional practices of breastfeeding in Kanesatake.
- ❖ Describe the challenges faced and the success of culturally based breastfeeding support strategies and approaches. Introduce our *Laying the Foundation for a Healthy Community - Intergenerational Breastfeeding Support Guide and Tool Kit*.
- ❖ Present the process of the implementation of the Ten Steps to Successful Breastfeeding in Kanesatake and discuss how this is supporting the immediate and long term health of baby, mother, family and community.

### Presenters:

**Karen MacInnes RN, BScN** – Community Health Nurse in Maternal Child Health, Kanesatake Health Center

**Karennaha:wi McComber** – Child and Family Support Manager, Kanesatake Health Center

**Crissann Thompson** – Family Development Coordinator, BFI Coordinator, Kanesatake Health Center
